Samokhin A.V. The problem of USSR's military-and-economic aid to the Chinese communist party in 1945-1949s

The article is devoted to the problem of rendering of the military-economic aid of the USSR to the Communist Party of China (CPC) during the civil war. The purpose of the article is to find out military-economic conditions of rendering assistance to the CPC. Scientific novelty of the article consists in the attempt of overcoming of the settled sights at this problem in a domestic historiography. Mainly on the base of historical documents the conclusion is made that rendering assistance of Communist Party of China from the Soviet government was not disinterested and gratuitous. Rendering it the Soviet Union first of all proceeded from the state and military-political interests, and questions of the international aid that had minor character.

Key words: the civil war in China, the Soviet-Chinese relations, the military-economic aid of the CPC.
