Tarasov O.Yu. “Western Gates” of the Upper Amur region: study of the history of Mogochinsky district developing of the Zabaikalsky district through region toponymics

This article describes the history of the development of research opportunities in the region by local people and migrants through the place names. The study of the history of the development of the Upper Amur region often precludes its western suburbs, which are the basins of the Shilka and Argun rivers in their lower reaches. This paper attempts to analyze toponymic material of extreme points of Eastern Zabaikalsky region

Key words: Upper Amur, Eastern Zabaikalsky region, the history of areas development of late check, toponymy.
