

## PHILOSOPHY

***V.V. Gabeev***

*(Gorsky state agrarian university. Vladikavkaz, Russia)*

### **Idea of right national self-consciousness of I.A. Ilyin**

It is stated that the task of Russian philosophy of law is to return to the path of "truth", "morality" and "justice" in the construction of state-legal system in Russia. The author emphasizes after I. Ilyin, that this is possible only due to the upbringing of the "right" national consciousness or sense of justice.

Key words: Orthodox, sense of justice, "legal state of mind", conscience, law of the spiritual dignity, autonomy law, law of mutual recognition, truth, morality, justice, national identity.
