### **Androgyne and neoteny: new level**

It is analyzed the correlation of the notions «neoteny» and «androgyne» in the process of co-evolution of a natural base of a human and socio-cultural changes. It is grounded a tendency to the growing androgynisation as a result of a cyclic change of neotenisation and acceleration of the society. There is a consideration of a specificity of the process as applied to realities and perspectives of the Russian civilization.

Key words: androgyne, neoteny, multimedia technologies, juveniles, millennials, pedocracy, transhumanism.
