Representation of an emotionally-expressive speech strategy in legal discourse

It is discussed the study of the usage of an emotionally expressive speech strategy in legal discourse (on the example of the speech behavior of a lawyer). It is considered tactics which implement an emotionally expressive speech strategy, such as: approval speech tactics, disapproval speech tactics, censure speech tactics, neglect speech tactics, indignation speech tactics, sarcasm speech tactics. Based on the subject of the study, the author divided the phrases of the lawyer's discourse into the following types: emotionally dominant, emotionally neutral, expressively colored. The lawyer's speech is based on the principles of the need for emotional self-expression, the inevitability of impact, the need for emotional axiology.

Key words: emotionally-expressive speech strategy, legal discourse, emotive aspect, implicitness, speech tactics, emotivity, lawyer discourse.
