### **Eurasian socio-cultural space: models of evolution**

It is considered the problems of modification of the socio-cultural development of local communities in the Eurasian socio-cultural space. The purpose of the study is to analyze the factors that determine the processes of evolution of the socio-cultural development of local communities. Socio-cultural analysis makes it possible to determine the trends of socio-cultural transformation, their deep stable constructions, formed in the process of historical development.

**Key words:** Eurasian socio-cultural space, socio-cultural transformation, globalization, localization.
