Lexico-semantic and stylistic features of the lawyer's discourse

The lawyer's discourse is described, lexico-semantic and stylistic features of modern advo-card speech are revealed, its stylistic component is analyzed. The relevance of the research is due to the great attention paid to the study of the peculiarities of the speech of lawyers and the lawyer's discourse of texts in the modern world. The lawyer's discourse is one of the most multifaceted varieties of legal discourse, within which all kinds of functional styles are implemented to one degree or another. The lawyer's speech is characterized by a change of different style and hybrid contexts. The persuasiveness of a defensive speech can be achieved, firstly, through evidence-based justifications, secondly, by the ability to emotionally tune the audience and thirdly, by influencing the value orientations of the participants in the process.
