### **Human values and disvalues (on the example of A.I. Kuprin's novel "Duel")**

The purpose of the study is to analyze the values and disvalues of the heroes of A.I. Kuprin's novel "Duel". Values are analyzed using general scientific and private-scientific methods, as well as with the help of comparative and axiological analysis. The article summarizes the main scientific fields within values are studied. Special attention is paid to the studies that show the value picture of the world of the writer and his characters. The main part of the article is devoted to the analysis of axiosphere of the heroes of the work. The conclusion was made about the variability of the heroes' values and their behavior during life. The author suggested that harsh living conditions and environment influence the formation of disvalues.

**Key words:** linguo-axiology, axiosphere of heroes, material and moral values, transformation, environment.
